About Me

I am a dedicated technology student at Bennett University, with a strong passion for software development and emerging technologies. My academic journey has equipped me with a solid foundation in Full-Stack, and I have applied these skills to various successful projects. I am adept at problem-solving and have a keen interest in areas like machine learning.

I thrive in collaborative settings and am an active participant in tech clubs and hackathons, which have honed my teamwork and project management abilities. My hands-on experience through internships and coursework has prepared me to tackle real-world challenges and continuously seek opportunities to learn and grow.

Eager to contribute to innovative projects and enhance my skills, I am looking for opportunities to further my expertise and make a meaningful impact in the tech industry.
